BIBLE STUDY- WELCOMING THE NATIONS

LARGE GROUP

- Ask students to share scripture passages that tell about God's heart for the nations and for missions.
- Share with student that there are more than just a few verses about missions. That God's heart for all the nations to know him is clear from Genesis to Revelations.
- Tell students that that we live in an unprecedented time, when people of all nations have come to us and are studying on our universities. We have an opportunity like no other generation in history to be on mission on our campuses. We have an opportunity like never before to be welcoming the nations and fulfilling the great commission.
- "Let's take a look at this video." Download and Show the Video, "Reaching International Students" <http://vimeo.com/29352923>

SMALL GROUPS

- Download and print out the article "The Global Thread Through Scripture" from http://www.nehemiahteam.com/p/resources_13.html
- Have students take turns reading these passages in the article that go from Genesis to Revelations and then ask the following questions.
- What was the common theme throughout these Bible verses?
- Do you see God differently after reading this scripture?
- After reading these verses, what have you learned about God's heart for the all nations?
- How is reaching out to international students on our campus, consistent with God's heart?
- How can we show the international students on our campus that God loves them and desires to have a relationship with them?
- Pray for one another that God will give us his heart for All nations and open up our eyes to the nations that are on our campus. Pray that God will begin to draw international students to himself and that he will use us to be a part of his plan for all nations to know the Good News of Jesus.
